

**BUILT TO LAST — ACCURATELY**

**CERTIFICATION: ISO 17025 & NIST** For Temperature and Pressure Instruments: Glass Tube, Bimetal, Sanitary, Digital, Transmitters, Recorders, Dataloggers, Pressure and Vacuum Gauges.

**MANUFACTURES:**

**DIRECT DRIVE THERMOMETERS** for ALL INDUSTRY Every angle with 1/4” and 3/8” bulbs, any length, Remotes, Specials, TRM (room monitors), Combo HD (Meat Combo) for the Food Industry.

**PRESSURE SYSTEMS:** ARMOURED and PLAIN 316SS all welded construction for Pressure Remote Diaphragm Seals.

**4TPFB (RAPTOR):** RAPID TEMPERATURE OVERFILL RESPONSE PROBE New concept SAFETY DEVICE for overfill protection in tanks and load racks. Detects overfill in milliseconds.

**DISTRIBUTOR of...**

**Manufacturer** RTDs & thermocouples, probes, sanitary, bimetal thermometers, digital thermometers, surface thermometers, dual mode thermometers, pressure gauges, diaphragm seals, sanitary pressure gauges, transmitters.

**Manufacturer** Complete line of Digital Instruments. Thermometers with precession accuracy PH meters.

**Manufacturer** Complete range of temperature transmitters, ATEX and FM approved, Hart protocol, NFC or Bluetooth configuring. Easily configured digital displays in head or remote.

**DeltaTRAK**

**Manufacturer** Waterproof digital thermometers, dataloggers, recorders.

**pyromation**  
beyond measure

**Manufacturer** RTDs, thermocouples, transmitters.

**Manufacturer** Complete line of Digital Thermometers, IR Thermometers, PH Meters, Bluetooth, Data Loggers, Dry Block Calibrators, and Thermocouple Probes.

**Manufacturer** Pressure gauges, diaphragm seals, pressure switches, temperature switches, bimetal thermometers.

**Manufacturer** Flowmeters, low switches, low pressure gauges, magnetic, photohelic.

**Remanufacturer** of all process controls: transmitters, flow meters, etc., capillary systems, diaphragm seals. Complete repair, fast turnaround. Rosemount, Fisher, Foxboro, Honeywell, Moore.

**Manufacturer** Temperature & pressure recorders, probes, charts, pens, dataloggers.
